SPECIALISED PANORAMIC COMMERCIAL SIGNAGE
STRETCH YOUR CONTENT IN ANY DIRECTION

LH10551WUS-B1AG

STRETCH YOUR CONTENT IN ANY DIRECTION

Our NEW 105" ultra-wide display with 21:9 Landscape or Portrait panoramic view offers businesses an easy and effective solution to help capture their audience's attention.

Experience a true 21:9 Panoramic Ultra-Wide view for all your content and applications with the iiyama **LH10551WUS-B1AG**. The display shows vibrant and larger than life imagery and videos using 5K resolution to make the difference.

Whether installed in mission critical control room facilities or vibrant digital signage for high end retail spaces, this iiyama large format display comes with a super sleek thin bezel design.

Designed to perform in continual, around the clock environments, the **LH10551WUS-B1AG** can be installed and utilised in landscape and portrait orientation to create the most stimulating imagery in any space.

LH10551WUS-B1AG SPECIALISED PANORAMIC COMMERCIAL SIGNAGE

21:9 - ULTRA WIDE

Experience a true Panoramic view for all your content and applications.

STANDALONE SOLUTION

Unlock all of the security and flexibility of Windows IoT with the optional OPS Slot PC.

5K - 11MP

Vibrant and larger than life imagery and video using 5120x2160 resolution to make the difference.

USB-C CONNECTION

Delivers the latest in video, audio and Touch signal, all through one port and even charges your device with 100W power delivery.

IPS PANEL

IPS stands for in-plane switching. IPS displays provide the best viewing angles and natural, highly accurate colours. Especially suited for colour-critical applications.

FLEXIBLE ORIENTATION

The ability to position the displays in landscape or portrait orientation means you can make the most of any space and bring your messaging, advertisements, videos and safety information to your audience.
